CLASSIC

Targeting individuals who value high quality and comfort, this collection is built on a foundation of classic and comfortable designs. We carefully select premium imported fabrics and materials, employing a combination of lightweight, thin all-wool lining (or semi-wool lining) and semi-handcrafted techniques to create our products. This approach reflects the noble, refined, and exquisite characteristics of our offerings.

BUSINESS

Targeting individuals in business settings, this collection is based on a business-oriented design. We utilize fabrics such as PTT long silk and silk-blend materials, including silk and shiny wool, which offer excellent luster and a smooth, luxurious feel. These fabrics are known for their easy care, durability, and other advantages. Our products embody the professionalism and confidence of career-oriented individuals in the workplace.

MODERN

Targeting individuals in business commuting settings, this collection is built on a foundation of business-oriented designs. We employ lightweight construction techniques and select fabrics that possess a structured feel, wrinkle resistance, breathability, and elasticity. Our garments offer effortless and versatile styling options, suitable for commuting, casual wear, and business occasions, adapting to various settings.

ELEGANCE

Targeting individuals seeking a natural, comfortable, and romantic style for casual occasions, this collection is built on an Italian-inspired silhouette known for its relaxed and inclusive fit. We carefully select materials such as richly colored cotton, linen, and silk to reflect a fashionable and carefree aesthetic. These fabrics embody a sense of style and freedom, appealing to those who appreciate a laid-back yet chic look.
